Tibelle Enzymes

5 Vials - x 10 ml

RECOMBINANT TIBELLE ENZYMES HELP ELIMINATE FAT LOCALIZED FACIAL AND BODY, ATROPHIC AND KELOID SCARS, POST-ACNE SCARS, SAGGING, FIBROSIS AND CELLULITE.

Active ingredients

Hyaluronized
Lipase
Collagenase.

Description

Enzymes break down fat into smaller molecules, so that the body can absorb and release them quickly. With its mobilization, it is possible to lose weight, working on the dissolving fat and firming the skin.

Proceeds

Hyaluronidase: Breaks down polysaccharides, reducing the viscosity of the fabric to make it more permeable to the diffusion of liquids.

Lipase: It acts on the metabolism of triglycerides by dissolving accumulated fat, which helps to relax the outer tissue, making the skin look smoother.

Collagenase: It acts on the metabolism of collagen, dissolving the nodules of accumulated cellulite, which that helps relax the outer tissue, making the skin look smoother

Indications: Localized facial and body fat sagging, fibrosis, atrophic scars, keloids, scars post-acné, celulitis.

Kit

Cabin Base

Complete Care For All Skin Types

290 USD

Description

This essential kit includes a deep cleansing combo customized for oily, dry, and combination skin, accompanied by a basic nutrition kit. Complete the treatment with a silk sealant that leaves the skin soft and protected, and a broad-spectrum sunscreen suitable for all skin types.

Kit

Antiacne

Clean and Balanced Skin

80 USD

+ 35 USD

Description

This kit includes the descaling papain gel, which eliminates blemishes and fights acne, the activated charcoal hydroplasty to regulate sebum, and the passion fruit mask to soothe and moisturize. You also have the option of adding the volcanic mud mask, a powerful sebum-regulating mask, for an additional cost.

Kit

Facial Mummification

Firms and Rejuvenates Your Face

90 USD

Description

This unique facial mummification kit begins with the application of the coconut mask, which deeply moisturizes and prepares the skin for treatment. Next, use our facial plaster therapy powder, which redefines and firms the contours of the face, helping to combat sagging and improving skin elasticity. To finish, apply the Q10 anti-aging cream, which enhances the rejuvenating effect, reducing wrinkles and leaving your skin firmer and brighter.

Facial plaster therapy is ideal for those looking for a natural and visible lift, helping to reshape the face, improve skin texture and offer immediate and lasting results.

Nutrition Combo

Firms and Moisturizes Your Skin

80 USD

Description

This nutrition combo includes a firming mask of mint coffee, designed to tone and revitalize the skin. Enriched with hyaluronic acid, it transforms into an intensive treatment when two puffs are applied directly onto the mask, creating the perfect combination for deeply nourished, firm skin with a younger and healthier appearance.

Kit Whitening

Renew and Brighten Your Skin

90 USD

Description

This powerful brightening kit begins with Oxie Skin, a smart cellular sweeping treatment that promotes active oxygenation, revitalizing the skin from the deepest layers. Then, an acid microdermabrasion paste is applied that gently exfoliates, removing dead cells and preparing the skin for better absorption. The treatment is completed with diamond hydroplasmatic, a microdermabrasive and brightening product that illuminates and unifies your skin tone, leaving it visibly clearer, smoother, and rejuvenated.

Deep Hydration Kit

Nutrition and Youth for Your Skin

80 USD

Description

This exclusive deep hydration kit starts with the Choco Thai Powder Mask, a super hydrating formula that revitalizes and nourishes the skin in depth. To enhance its effects, two puffs of hyaluronic acid are added, which help retain moisture and improve skin elasticity. Finally, a small amount of the stem cell-based anti-aging serum is incorporated, a super-potent treatment that fights the signs of aging and leaves your skin incredibly soft, hydrated and rejuvenated.

Kit Detox

Purify, Clarify and Refresh Your Skin

110 USD

Description

Our detox kit is the perfect solution to revitalize and deeply purify your skin. Start with Oxie Skin, a treatment that actively clarifies and oxygenates, followed by the acidic paste that exfoliates and renews, preparing your skin for the next phase. Then, apply the volcanic mud, known for its ability to remove impurities and regulate excess sebum, leaving your skin clean and balanced. To finish, enjoy the azulene gel mask, which soothes, refreshes, and hydrates, providing immediate relief and leaving your skin soft, luminous, and free of toxins.

Yesoterapia Corporal

Shape and Firm Your Body

120 USD

Description

This complete body plaster treatment is designed to sculpt and reaffirm your figure effectively. It begins by applying the organic lipogel, which prepares the skin and enhances the effects of the treatment, followed by the application of the plaster powder and the gauze, which help to shape and tone the treated areas. Before the plaster treatment, use the blueberry mix exfoliating gel to remove dead cells and improve the absorption of the active ingredients. To finish, the Blue Ice cold gel provides a refreshing sensation, helping to close the pores and reaffirm the skin, leaving a smooth and toned finish.

Cabin Body Combo

Shape, Firm and Take Care of your Skin

220 USD

Description

This complete body combo is designed to offer visible results in cabin treatments. It begins with the organic lipogel, which helps to prepare and shape the skin, followed by the blueberry mix exfoliating gel to remove dead cells and improve the absorption of the active ingredients. The Red Hot Gel and the Blue Ice Gel work together to activate circulation, tone, and refresh the skin. It also includes a hot lotion to stimulate fat burning, a cold lotion to firm and tone, and a thermo coffee lotion specially formulated for stretch mark reduction, improving skin texture. The treatment concludes with arnica gel, a soothing and anti-inflammatory that provides relief and comfort after the treatment, leaving the skin renewed and cared for.

Silk Sealant Kit

Protection and Softness for your Skin

60 USD

Description

This sealant kit is the perfect solution to finish any facial or body treatment. Start with the silk sealant, which envelops your skin in a soft, protective layer, sealing in moisture and improving texture for a flawless finish. Complete the care with the sunscreen, which offers effective defense against UV rays, keeping your skin protected and radiant all day long.

Facial Care Kit for Combination Skin

Balance and Nutrition at Every Step

200 USD

Description

This facial care kit in cabin is designed specifically for mixed skin, offering a complete and balanced treatment. It begins with a gentle cleansing milk that removes impurities without dehydrating, followed by a blueberry exfoliant that renews the skin and improves its texture. The herbal cleansing tonic balances and refreshes, preparing the skin for deep hydration. Apply the coffee mint mask with hyaluronic acid for intensive hydration and firming effect, leaving the skin fresh and revitalized. Finish the treatment with a silk sealant to protect and soften the skin, and a sunscreen that offers UV protection, ensuring that your skin is cared for and radiant.

Facial Care Kit for Dry Skin

Deep Hydration and Firming

200 USD

Description

This cabin facial care kit is specially formulated for dry skin, providing intense hydration and firming at every step. Start with a gentle cleanser and cleansing milk that remove impurities without drying out your skin. The hydrating water scrub renews the skin, leaving it soft and radiant, while the aloe vera toner hydrates and soothes, restoring the skin's natural balance. Follow with the firming brown mint mask with hyaluronic acid, which provides deep hydration and helps improve skin elasticity. To seal in moisture and soften the skin, use the silk sealant, and finish the treatment with a sunscreen that protects against UV damage, ensuring your skin is protected, nourished and visibly rejuvenated.

Kit Detox

Purify, Brighten, and Refresh Your Skin

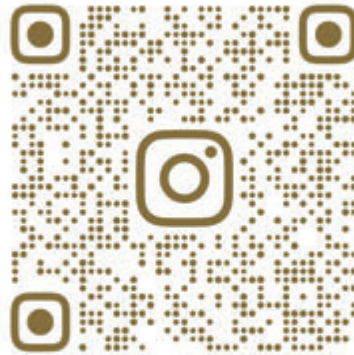

200 USD

Description

This cabin facial care kit is designed to treat and balance acne-prone skin. Start with a cleansing mousse and cleansing milk that remove impurities and excess oil without irritating the skin. The citrus sebum control scrub helps to unclog pores and reduce breakouts, while the green tea cleansing toner regulates oil production, leaving the skin feeling fresh and balanced. The Coffee Mint Mask with Hyaluronic Acid hydrates and soothes the skin, providing a feeling of freshness while fighting blemishes. Complete the treatment with a silk sealant to protect and soften the skin, and a sunscreen that offers UV protection without clogging pores, keeping your skin protected and free of shine.
